Lil Wayne

Go, I'm in love with a beauty, she is a cutie
Somebody say they saw us kissin' in da movies
We had a drink or two, we saw Rush Hour 2
Then we went home and we made our own movie
Lights, camera, action, ya dig?
Lights, camera, action, ya dig?
It's show time, it's show time
Show me yours, show you mine
Like ohh, it's goin' down in dis bitch
Like a boxer in the first round in dis bitch
1-800 I would dick you down in dis bitch
Uptown in dis bitch, don't make a sound in dis, shh
Now let me whisper in ya ear
Every single word your little ear wanna hear
Flip ya body over, have no fear
Can I put my tongue here until you tear?
Cry baby, cry baby, suck ya momma titty
You know I like dem old, I might have yo' momma with me
I like your girlfriend and your girlfriendses
Honor my pole like a flag on da end, bitch
Lights, camera, action, ya dig?
Lights, camera, action, ya dig?
It's show time, it's show time
Show me yours, show you mine
Lights, camera, action, ya dig?
Lights, camera, action, ya dig?
It's show time, it's show time
Show me yours, show you mine
I say ohh girl, I love you so
Oh ohh girl, I love you so sike
But I don't give a fuck about a dog ass hoe
But I don't give a fuck about a dog ass hoe
Pop these pills, take, take this glass
Pop, pop that pussy, shake, shake that ass
And if your pussy stank, girl, you know you better douche it
You're nasty girl, now wash dat stanky funky, funky pussy, bitch
Stop talkin' that shit and suck a nigga dick for
an outfit, ha
And I wear my pants below my waist and
I never dance when I'm this place 'cause you and your man
Be planning to hate, I'm so hood
And she likes it
And when we fuck I'm keepin' on my Nikes
I'll tear dat pussy up, I'll tear dat pussy up
I'ma good looking rapper, I ain't tryna front
Ohh, she pussy poppin' on a handstand
Ohh, she pussy poppin' on a handstand
Ohh, she pussy poppin' on a handstand
And I'm the cameraman
Lights, camera, action, ya dig?
Lights, camera, action, ya dig?

It's show time, it's show time
Show me yours, show you mineCut, check the gates, wait, why wait?
When I can just bend you over and do what I told ya
Do what I wanna, do what I wanna
Ya heard me, I gotta lie like [unverified]And now every once in a while her knees jerk
She forgets how to walk, I better teach her
I got her walkin' funny, just tell 'em that your feet hurt
You'll prolly see her on one of my t-shirtsI super soak a hoe, skeet, skeet, skeet, squirt
But don't worry 'cause if y'all are like swingers
Hey I'm high over features
Haha new single, oh so now you single
You crazy, say da baby
