Chokechain

Lou Barlow

I got this shit on lock, I got this shit on lock
Holla, holla at me if you on my block
I got this shit on lock, I got this shit on lock
Holla, holla at me if you on my block
I got yo' dogs on a collar, balla so how you like that?
Chokechain for their necks and I don't think they like that
Woof, woof, how they howl, give some chow they 'bout to growl
Little dogs will kill you dude as soon as you let 'em out
Purebred, got 'em with the nice coat
Your head, when I sic 'em at yo' white throat
Dig deep, shock collars on their necks
You fuck with 3OH!3 and motherfuckers know they next
Now get yo' drum on
Getcha, getcha drum on
I got a chokechain for my pit bull Lane
I got a shock collar for my rottweiler
Got a chockchain for my pit bull Lane
I got a shock collar for my rottweiler
Got a chokechain, I got a shock collar
I got a chokechain, I got a shock collar
I got my wolf from a white teen, he won't bite me
Fuckin' with me and you'll get bitten most likely
Howlin' at the moon, growlin' at the lightnin'
Ugh, this thing I spit is mad frightenin'

We got the drum hits, tell your kid to get a better etiquette
Before he splits his seed to try to spit a little rhetoric
You gotta say, go put it away
Yeah, we be runnin' the game, now it's all one in the same
Now get yo' drum on
Getcha, getcha drum on
I got this shit on lock, I got this shit on lock
Holla, holla at me if you on my block
I got this shit on lock, I got this shit on lock
Holla, holla at me if you on my block
I got a chokechain for my pit bull Lane
I got a shock collar for my rottweiler
Got a chockchain for my pit bull Lane
I got a shock collar for my rottweiler

Got a chokechain, I got a shock collar
I got a chokechain, I got a shock collar
I got a chokechain for my pit bull Lane
I got a shock collar for my rottweiler
Got a chockchain for my pit bull Lane
I got a shock collar for my rottweiler
Chokechain, I got a shock collar
I got a chokechain, I got a shock collar
