I Know

[KeKe Wyatt](#)

I know, I know, I know, I know, it's hard, it's hard to be around meSometimes, sometimes, sometimes, sometimes, it's hard to see just how you found meI know, I know, I know, I know, I know, I made you cry so many nightsDon't know, don't know, don't know, don't know where I would be if you never showed love(Verse)
Hold on to me as we go down
As we fall in love we make this sound
Stay til the end we'll win this fight
Somehow I know we'll be alrightI need you, I'll think for you
My heart is a war zone
It's constantly pushing you away(Chorus)
I know, I know, I know, I know, it's hard, it's hard to be around meSometimes, sometimes, sometimes, sometimes, it's hard to see just how you found meI know, I know, I know, I know, I know, I made you cry so many nightsDon't know, don't know, don't know, don't know where I would be if you never showed love(Verse)
It's starting to grow dark outside
Please say you'll stay through all the nights (ohh yea)
Fall into me don't break my pride
At least if we fail we'll say we triedI need you, I'll think for you
My heart is a war zone
It's constantly pushing you away(Chorus)
I know, I know, I know, I know, it's hard, it's hard to be around meSometimes, sometimes, sometimes, sometimes, it's hard to see just how you found meI know, I know, I know, I know, I know, I made you cry so many nightsDon't know, don't know, don't know, don't know where I would be if you never showed love(Repeat)
