Rumors

Club Nouveau

How do rumors get started?
They're started by the jealous people and
They get mad about somethin they had, and sombody else is holdinThey tell me that temptation is very hard to resist
These wicked women, oohh they just persist
Maybe you think it's cute, but girl I'm not impressed
I tell you one time only with my business please don't messLook at all these rumors surrounding me everyday
I just need some time some time to get away from
From all these rumors I can't take it no more
My best friend said there's one out there about me
and the girl next doorDid you hear the one about Tina?
Some say she's much too loose
That came straight from a guy who claims he's tastin her juiceDid you hear the one about Michael?
Some say he must be gay
I tried to argue but they said if he were straight he wouldn't move that wayDid you hear the one about Susan?
Some say she's just a tease
In a camosal she's six feet tall she'll knock you to you knees..Look at all these rumors surrounding me everyday
I just need some time some time to get away from
From all these rumors I can't take it no more
My best friend said there's one out there about me
and the girl next doorI can't go no place without somebody pointing a finger
I can't show my face cuz when it comes to rumors I'm a dead ringerIt seems from rumors I just can't get away
I bet there'll even be rumors floatin' around on Judgment DayI'll think I'll write my congressman and tell him to pass a bill
For the next time they catch somebody startin' rumors, shoot to killWill you look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and the girl next doorWhat's mine is mine, I ain't got time for rumors in my life
I'm a man who thinks, not a man who drinks, so please let me live my lifeWhat's mine is mine, I ain't got time for rumors in my life
I'm a man who thinks, not a man who drinks, so please let me live my lifeWhat's mine is mine, I ain't got time for rumors in my life
I'm a man who thinks, not a man who drinks, so please let me live my lifeWill you look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and the girl next doorLook at all these rumors surroundin' me

every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and the girl next doorStop spreadin' those rumors around
Stop spreadin' the lies
Stop spreadin' those rumors around
Stop (Stop) spreadin' the liesStop spreadin' those rumors around
