

# Ladies

## Inna

All the girls, just hear me now  
Listen up, I call you ladies  
You don't have to trust a man  
That is driving a Mercedes You don't know, boy, how hard I try  
Being just here, not with you, baby  
Someday you should tell me why  
Why you do this to me, baby? You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over You don't love me now You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over All the girls, just hear me now  
Listen up, I call you ladies  
You don't have to trust a man  
That is driving a Mercedes You don't know, boy, how hard I try  
Being just here, not with you, baby  
Someday you should tell me why  
Why you do this to me, baby? You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over You don't love me now, you just hurt me now  
It's over, it's over  
I'm not looking back, I'm not going back  
It's over, it's over
