

The Dead Heart

[Alexisonfire](#)

We don't serve your country, don't serve your king
Know your custom, don't speak your tongue
White man came took everyoneWe don't serve your country, don't serve your king
White man listen to the songs we sing
White man came took everythingWe carry in our hearts the true country and that cannot be stolen
We follow in the steps of our ancestry and that cannot be brokenWe don't serve your country, we don't serve
your king
Know your custom, don't speak your tongue
White man came took everyoneWe don't need protection, don't need your hand
Keep your promise on where we stand
We will listen we'll understandWe carry in our hearts the true country and that cannot be stolen
We follow in the steps of our ancestry and that cannot be broken
We carry in our hearts the true country and that cannot be stolen
We follow in the steps of our ancestry and that cannot be brokenMining companies, pastoral companies
Uranium companies, collected companies
Got more right than people, got more say than peopleForty thousand years
Can make a difference to the state of things
The dead heart lives here
