

I'll Be Around

Howlin' Wolf

Well I'll be around to see ya baby
Well I'll be around no matter what you say
I'll be around, yes I'll be around
To see what you're puttin' down You know you told me that you loved me
You know you told me and I hope it's true
Well I'll be around, yes I'll be around
To see what you're puttin' down You know I called you in the morning
You know I called you darling to come back to the Wolf
But I'll be around, yes I'll be around
To see what you're puttin' down You know I loved you for myself
You know I love you, I don't love nobody else
Well, I'll be around, I'll be around
I don't want you runnin' around
