Baby Talk

Lush

Swallowed her down, she's inside me
She's struggling now, she can't break free
And my eyes are closed, my lips are sealed
She can't escape but I can feelKicks in me, kicks in me
Kicks in me, kicks in meClimbing my spine, she's inside me
Wants to escape, wants to breathe
And I wish, I could tell you what she feels
And I wish, I could hear what she speaksIn my sleep, in my sleep
In my sleep, in my dreams
