

# Honeycomb

## Helium

and she knows you never ask her to come over  
but she doesn't care  
and she combs her hair over and over in the mirror  
oh-oh  
and she spits and swears until she can't swear anymore  
and she doesn't care when you call her a whore  
you better watch out for her  
she'll eat you up and she'll spit out the burrs  
she'll talk about you to all of the girls  
but you wait for hercause she's sweeter than a honeycomb  
and that's why you stay at home  
and she's slower than a valium  
and that's why you stay at homeand she goes so that you can hardly see her  
it's so slow  
and I know she's low and dirty but she told you so  
lady of luck she's a roll of the dice  
and it feels so right and so does your price  
you'll see, she'll put a spell on you  
she did it to me, and changed my point of view  
she'll tie you up so that you can't move  
but you wait for itcause she's sweeter than a honeycomb  
and that's why you stay at home  
and she's slower than a valium  
and that's why you stay at home
