

Hummin' bird

Bob Seger

Sometimes I get impatient
But she cools me without words
And she comes so softly
My hummin' bird And have you heard
I thought my life had ended
But I found that it's just begun
'Cause she gets me where, where I live I'd give her everything I've got to give
All for that hummin' bird Oh, she's little and she loves me
Too much for words to say
I see her in the morning, sleeping
Yeah, she's little and she loves me It's my lucky day
Hummin' bird, don't fly away When I'm feelin' wild and lonesome
She knows just what to say
She gives me so much understanding
In her little way Lord, I gotta say
In my life, I'm gonna love no other
She's more than I deserve
She gets me where, where I live I'd give her everything that's mine to give
All for that hummin' bird Oh, she's little and she loves me
Too much for words to say
I see her in the morning sleeping
Yeah, she's little and she loves me It's my lucky day
Hummin' bird, don't fly away
