SMASH!

Smash (Cast)

Ivy:
You ask me how far will I go
You ask me what I wouldn't do for the sight of my name as it fills every frame
I wanna be more than a flashKaren:
I ask you what lie should I tell
I tell you I'm willing to learn
So enroll me in school in your kidney shaped pool
In a two piece I'll make what a splash
Cuz i wanna be more than a smashBoth:
Yes I wanna be a hit till I've won every heart
Be a queen to each king or mechanic plus you Mr. Zanic
But first Mr. you have to give me the part
I know all the tricks of the trade
I've even invented a few
Now your intrest is mounting and soon we'll be counting the lights and the nights and the cash
Cuz I gunna be a smash
Yes I'm gunna be a smash
Won't you help me be a smash
