

# Never Be Like You (Martin Solveig Remix)

Flume

What I would do to take away this fear of being loved  
Allegiance to the pain  
Now I fucked up and I miss you  
I'll never be like you  
I would give anything to change this fickle-minded heart  
That loves fake shiny things  
Now I fucked up and I miss you  
I'll never be like you I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you How do I make you wanna stay?  
Hate sleeping on my own, missing the way you taste  
Now I'm fucked up and I miss you  
Never be like you  
Stop looking at me with those eyes  
Like I could disappear and you wouldn't care why  
Now I'm fucked up and I'm missing you  
Never be like you I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you I'm falling on my knees  
Forgive me, I'm a fucking fool  
I'm begging, darling, please  
Absolve me of my sins, won't you? Oh, I'm falling on my knees  
Forgive me, I'm a fucking fool

Ooh, I'm begging, darling, please  
Absolve me of my sins, won't you? I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you Baby, baby please believe me  
C'mon, take it easy  
Please don't ever leave me  
Ooh, never be like you
