You're the Reason (Acoustic Version)

Victorious Cast & Victoria Justice

I don't want to make a scene
I don't want to let you down
Try to do my own thing
And I'm starting to figure it out
That it's alright
Keep it together wherever we go
And it's alright, oh well, whatever
Everybody needs to knowYou might be crazy
Have I told you lately that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy that someone could change me
Now no matter what it is I have to do, I'm not afraid to try
And you need to know that you're the reason why
I don't even care when they say
You're a little bit off
Look me in the eye, I say
I could never get enough
'Cause it's alright
Keep it together wherever we go
And it's alright, oh well, whatever
Everybody needs to knowYou might be crazy
Have I told you lately that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy that someone could change me
Now no matter what it is I have to do, I'm not afraid to try
And you need to know that you're the reason whyIf it was raining, you would yell at the sun
Pick up the pieces when the damage is done
You say it's just another day in the shade
But look at what a mess we made
You might be crazy
Have I told you lately that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy that someone could change me
Now no matter what it is I have to do, I'm not afraid to try
You might be crazy
Have I told you lately that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy that someone could change me
Now no matter what it is I have to do, I'm not afraid to try

And you need to know that you're the reason why
