Generation

Carlos Jean

Can you hear what I can hear?
It's all around, it fills the air
It comes, it goes, it flies, it drowns
It fades away but it never leaves
Can you hear what I can hear?
It's all around, it fills the air
It comes, it goes, it flies, it drowns
It fades away but it never leave

Can you feel it, inside out ?
Nobody is asking you down.
Deep breath and I'm sure you'll find the answer now.
Its been a while, I don't mind ,
you can achieve what you want, stand up and step by step you'll get it now.

Dance funk at the beach, dance funk at the beach,
dance funk at the, everybody is moving come on.
Dance funk at the beach, dance funk at the beach leave
your fearless out right now.

And I love my generation for life fying so high,
yeah, yeah! No one like you.
And I love my generation for life having some fun,
yeah, yeah! No one like you.
Feel the summer is your time to be free, C'C'C'C'C'C'Come on, Yeah Yeah!
Feel the summer living your dreams,C'C'C'C'C'C'Come on, Yeah! Yeah!

Ah,ah,ah,ah,ah,

Filled to the brim, need a break?
Just do it, it won't be a mistake.
Don't feel the preasure even start to shake.
Carry on with your life, you know how to survive,
life is short, enjoy, don't make me tell you twice.

Dance funk at the beach, dance funk at the beach,
dance funk at the, everybody is moving come on.
Dance funk at the beach, dance funk at the beach leave
your fearless out right now.

And I love my generation for life fying so high,
yeah, yeah! No one like you.
And I love my generation for life having some fun,
yeah, yeah! No one like you.
Feel the summer is your time to be free, C'C'C'C'C'C'Come on, Yeah Yeah!
Feel the summer living your dreams,C'C'C'C'C'C'Come on, Yeah! Yeah!

It's time to shine
Walk out the door, seems like it's the time to go.
Got no luggage, got no fate, my music and me on the road.
And oh! Yo, let it flow, a good vibe you can't control
This the summer riddim gonna take over your bones
And No! don't tie me up cause no
Those chains are useless so I'm flying cause I don't care
What they could say at all.
Yey, it's the day! The party getting started with no delay
Forget all your troubles go right away, I'm having a good time
So I'm gonna say.

And I love my generation for life fying so high,
yeah, yeah! No one like you.
And I love my generation for life having some fun,
yeah, yeah! No one like you.
Feel the summer is your time to be free, C'C'C'C'C'C'Come on, Yeah Yeah!
Feel the summer living your dreams,C'C'C'C'C'C'Come on, Yeah! Yeah!

And I love my generation for life fying so high,
yeah, yeah! No one like you.
And I love my generation for life having some fun,
yeah, yeah! No one like you.
Feel the summer is your time to be free, C'C'C'C'C'C'Come on, Yeah Yeah!
Feel the summer living your dreams,C'C'C'C'C'C'Come on, Yeah! Yeah!
