

# Higher Love

## Depeche Mode

I can taste more than feel  
This burning inside is so real  
I can almost lay my hands upon  
Warm glow that lingers on  
Moved, lifted higher  
Moved, my soul's on fire  
Moved, by a higher love  
By a higher love  
By a higher love  
By a higher love  
I surrender all control  
To the desire that consumes me whole  
Leads me by the hand to infinity  
Lies in wait at the heart of me  
Moved, lifted higher  
Moved, my soul's on fire  
Moved, by a higher love  
By a higher love  
Heaven bound on the wings of love  
There's so much that you can rise above  
Moved, lifted higher  
Moved, moved, by a higher love  
By a higher love  
By a higher love  
By a higher love
