Choke

Boy Epic

Let it rain
Let it all wash away
I'll be the one
If you'll be my casualty
Deliver me, a life of gold
Dress me in black
teach me how to buy miracles
Let the pain fade
Let it burn away-a-a
Let them all say
We're playing shadow gamesThey don't know how we lose control
We'll burn this mother fucker down
real slow
If they don't feel our fire we'll watch them choke choke choke
on the smoke
And we'll stand there hand in hand so they know
Look at my face
Look how good this kingdom taste
We fight for love
You drown in simple shame
We're Kings and queens
Veins filled with gold
We're dressed in black, drinking champagne miracles
Let the pain fade
Let it burn away-a-a
Let them all say
We're playing shadow gamesThey don't know how we lose control
We'll burn this mother fucker down
real slow
If they don't feel our fire we'll watch them choke choke choke
on the smoke
And we'll stand there hand in hand so they know
This is not an act of god
This is we, fuck your money and your misery
We're painted gold
And you will know
As you Choke Choke ChokeThey don't know how we lose control
We'll burn this mother fucker down
real slow

If they don't feel our fire we'll watch them choke choke choke
on the smoke
And we'll stand there hand in hand so they know
