Advisory - the following lyrics contain explicit language:

Baby your lovin' is driving me insane  
I've never known such a crazy girl  
But I still don't wanna change  
Using me up and you're wearing me out  
You know I just can't seem to stop  
She got long lean legs and a silk covered bed  
I'm gonna use it `til I'm gonna drop Yeah yeah  
Ooh, sex child  
Gonna slip 'n' slide gonna come inside girl  
Yeah yeah  
Ooh, sex child  
Yeah yeah

Sweet little momma gonna keep you satisfied I'm burning with fever and you're the one I crave  
My heart and soul belong to you  
I'm like a prisoner in your cage  
I've got a '57 chevy with the chrome blown off  
But I'll tell you what I'm gonna do  
I'm gonna take your body to the limit tonight  
I'm gonna make sweet love to you Yeah yeah  
Ooh, sex child
