The Sky's the Limit

Jason DerÃ¼lo

Yeah

Yeah

Like a shot, to my heart.
When I saw, you tonight.
Like a dream, come alive for the very first time.
When we touch, in the dark.
Baby you, blow in my mind.
Wish I can freeze, you and me in this moment of time.

You got it but I won't give it up shawty,
Step it up for me and I'll give you everything.
All my life, all my love,
I'd give you my fortune and fame, I even give you my name.
Girl you take me higher, than I ever been before
My feet don't touch the floor, fly
The sky's the limit, the sky's the limit
Girl you take me up up up up up up up up
Girl you take me up, you take me higher
The sky's the limit, the sky's the limit.

When we dance, when we kiss
Does it get any better than this
How you shine, trap in the spotlight
Finally mine, yeah
Baby lets go, lets get outta here
Baby let go, got nothing to fear.
And now that we're here, lets disappear, into the night.

You got it but I won't give it up shawty,
Step it up for me and I'll give you everything.
All my life, all my love,
I'd give you my fortune and fame, I even give you my name.
Girl you take me higher, than I ever been before
My feet don't touch the floor, fly
The sky's the limit, the sky's the limit
Girl you take me up up up up up up up up
Girl you take me up, you take me higher
The sky's the limit, the sky's the limit.

Oh up up girl you take me up, oh yeah
Oh the sky's the limit, the sky's the limit

My feet are on the ceiling, they don't wanna touch the ground anymore.
All but a feeling, I can feel it, can you feel it? (feel it, feel it)
Girl you take me higher, than I ever been before
My feet don't touch the floor, fly
The sky's the limit, the sky's the limit
Girl you take me up up up up up up up up
Girl you take me higher
The sky's the limit, the sky's the limit
