Holiday

Shane & Shane

You are my holiday
You are right in the middle of me
You are my hideaway
You, You are homeI'm calling out Your name
Oh, my holiday
You make my heart new
And I love YouWhat it is I'm trying to say
You are my favorite part of meYou are my holiday
You are right in the middle of me
You are my hideaway
You, You are homeI'm calling out Your name
Oh, my holiday
You make my heart new
And I love YouWhat it is I'm trying to say
You are my favorite part of meI'm calling out Your name
Oh, my holiday
You make my heart new
And I love YouWhat it is I'm trying to say
You are my favorite part, oh
What it is I'm trying to say
You are my favorite part of me
