Rise Up

SECRETS

[Verse 1]
"Hold on" my mother said, donÃ¢Â€Â™t give up on this.
"Go on" my lover said, you were meant for this.
This is all I have, this is all I know, I could never let it go,
All my life itÃ¢Â€Â™s filled me up with hope, I wonÃ¢Â€Â™t quit.
This is my purpose and even through the struggles
And hard times itÃ¢Â€Â™s fucking worth it.[Chorus]
You gotta rise up, rise up, rise up!
You gotta fight it, fight it, fight it!
You canÃ¢Â€Â™t just follow, follow, follow,
Greatness canÃ¢Â€Â™t arise through typical lives.
No![Verse 2]
ItÃ¢Â€Â™s never easy to get what you want.
Step up your drive, throw doubt aside
When you fight for what you love.
Your dreams are shot and thereÃ¢Â€Â™s a chance to give up,
DonÃ¢Â€Â™t give up, show your guts, show them what youÃ¢Â€Â™re made of.
Overwhelmed by doubt, lifeÃ¢Â€Â™s currents wore me down,
Losing what I need found, IÃ¢Â€Â™m adrift, out of it,
Alone among the crowd.[Chorus]
You gotta rise up, rise up, rise up!
You gotta fight it, fight it, fight it!
You canÃ¢Â€Â™t just follow, follow, follow,
Greatness canÃ¢Â€Â™t arise through typical lives.
You gotta rise up, rise up, rise up!
You gotta fight it, fight it, fight it!
You canÃ¢Â€Â™t just follow, follow, follow,
Greatness canÃ¢Â€Â™t arise through typical lives.
No![Bridge]
"Hold on" my mother said, donÃ¢Â€Â™t give up on this.
"Go on" my lover said, you were meant for this.
"Hold on" my mother said, donÃ¢Â€Â™t give up on this.
"Go on" my lover said, you were meant for this.[Outro]
You gotta rise up, rise up, rise up!
You gotta fight it, fight it, fight it!
You canÃ¢Â€Â™t just follow, follow, follow,
Greatness canÃ¢Â€Â™t arise through typical lives.
You gotta rise up, rise up, rise up!
You gotta fight it, fight it, fight it!

You canÃ¢Â€Â™t just follow, follow, follow,
Greatness canÃ¢Â€Â™t arise through typical lives.
