

Pale Blue Eyes

Hole

Sometimes
Sometimes I get so sad
Sometimes I feel almost heavenly but
Lately I just feel bad
Yeah, baby, I just feel mad
Linger on, your pale blue eyes
Linger on, your pale blue eyes It was good what we did yesterday
And I'd do it again
The fact that you're insane
Only proves that you're my best friend
Well, I will never f*ck anyone else again
Linger on, your pale blue eyes
Linger on, your pale blue eyes Thought of you as my mountain top
I thought of you as my peak
Thought of you as everything
that I couldn't keep
Yeah, that I had but I couldn't keep
Linger on, your pale blue eyes
Linger on, your pale blue eyes You explode inside of me
Yeah you explode my heart
I never had nothing anywhere so
the end is where I start
Cause I'm real and that's all that matters
Linger on, your pale blue eyes
Linger on, your pale blue eyes
