

Neon (guitar only) (live at Rock in Rio)

John Mayer

When sky blue gets dark enough
To see the colors of the city lights
A trail of ruby red and diamond white
Hits her like a sunriseShe comes and goes and comes and goes
Like no one canTonight she's out to lose herself
And find a high on Peachtree Street
From mixed drinks to techno beats it's always
Heavy into everythingShe comes and goes and comes and goes
Like no one can
She comes and goes and no one knows
She's slipping through my handsShe's always buzzing just like
Neon, neon
Neon, neon
Who knows how long, how long, how long
She can go before she burns awayI can't be her angel now
You know it's not my place to hold her down
And it's hard for me to take a stand
When I would take her anyway I canShe comes and goes and comes and goes
Like no one can
She comes and goes and no one knows
She's slipping through my handsShe's always buzzing just like
Neon, neon
Neon, neon
Who knows how long, how long, how long
She can go before she burns away
