

She's All I Ever Had

[Ricky Martin](#)

Here I am, broken wings
Quiet thoughts, unspoken dreams
Here I am, alone again
I need her now to hold my hand
She's all, she's all I ever had
She's the air I breathe, yeah
She's all, she's all I ever had
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
When I look into her eyes
It's the way I feel inside
Like the man I wanna be
She's all I'll ever need
So much time, so much pain but
There's one thing that still remains, it's the
The way she cared the love we shared
And through it all, she's always been there
She's all, she's all I ever had
In a world so cold, so empty
She's all, she's all I ever had
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I wanna be
She's all I'll ever need
She's all, she's all I ever had
I love to make her see
She's all, she's all I ever had
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
When I look into her eyes
It's the way I feel inside
Like the man I wanna be
She's all I'll ever need
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
When I look into her eyes
It's the way I feel inside

Like the man I wanna be
She's all I'll ever need
