Swingin' Door

Edens Edge

You've got your Texas way of walking,
You've got your sexy way of talking,
I let you get all under my skin,
But now your welcome has worn off and
So next time you go, don't come back again,
Cause your train don't stop here anymore,
I ain't your gas-up rest stop, swinging door,
You can't just walk in, walk out like so many times before,
I ain't your swinging door,
You've got a girl in every cow-town,
You think I don't know how you cat around,
I let your sweet talk get my guard down,
Took me a while to figure you out,
But I've got you figured all out now,

And your train don't stop here anymore,
I ain't your gas-up rest stop, swinging door,
You can't just walk in, walk out like so many time before,
I ain't your swinging door,
You'd best make up your mind,
Cause if you go you ain't coming back this time,
Your train don't stop here anymore,
I ain't your quick stop, walk up, open 24
You can't just drop in, drop out, treat me like your candy store
Your train don't stop here anymore,
I ain't your gas-up rest stop, swinging door,
You can't just walk in, walk out like so many times before,
I ain't your swinging door,
I ain't your swinging door.
