

Charlie

Red Hot Chili Peppers

All the boys stitch in time
Get yours got mine
In a minute ill be there
Sit tight get square
You could do it with hippie rowans
Like that Trombone
Anybody got a divvy tone
Thatâ€™s right unknown

When I pick up on that smell
Pick it up and run like hell
Little woman set me sum
Better pick up on your run

So much more than. And Charlieâ€™s waking me
Into my core. And Charlieâ€™s shaking me
Tell my story. And Charlieâ€™s making me
And Charlieâ€™s making me smile.

Everybody do the twist
Get the message off these fists
Move around like a scientist
Laid down get kissed
Big picture and it never lies
Big daddy will advise
Ever ready in discuses
Sunset sunrise

When I pick up on that smell
Pick it up and run like hell
Little woman set me sum
Better get up on your run

So much more than. And Charlieâ€™s waking me
Into my core. And Charlieâ€™s shaking me
Tell my story. And Charlieâ€™s making me
And Charlieâ€™s making me smile.

My heart your skin this love i'm in
We donâ€™t arrive with out a surprise your right iâ€™m wrong be free belong

Intimate side is cumin to life

When I pick up on that smell

Pick it up and run like hell

Little woman set me sum

Better pick up on your run

All I euer wanted to is pick it up and run with you

Slip in to a summer spell

Double up and run like hell

So much more than. And Charlieâ€™s waking me

Into my core. And Charlieâ€™s shaking me

Tell my story. And Charlieâ€™s making me

And Charlieâ€™s making me smile.

My heart your skin this love Iâ€™m in

We donâ€™t arrive with out a surprise your right Iâ€™m wrong be free belong

Intimate side is cumin to life

My heart your skin this love Iâ€™m in

We donâ€™t arrive with out a surprise your right Iâ€™m wrong be free belong

Intimate side is cumin to life
