

I'll Never Stop Loving You

Joanie Sommers

I'll never stop loving you
Whatever else I may do
My love for you will live 'til time itself is through
I'll never stop wanting you
And when forever is through
My heart will beat the way it does each time we meet
The night doesn't question the stars that appear in the skies
So why should I question the stars that appear in my eyes
Of this I'm more than just sure
My love will last and endure
I'll never, no, I'll never stop loving you I'll never stop loving you
Whatever else I may do
My love for you will live 'til time itself is through
I'll never stop wanting you
And when forever is through
My heart will beat the way it does each time we meet
The night doesn't question the stars that appear in the skies
So why should I question the stars that appear in my eyes
Of this I'm more than just sure
My love will last and endure
I'll never, no, I'll never stop loving you
