# Nobody Lives Without Love

## Mary Black

Seemed like I'd gone off the side of a mountain
Couldn't be sure I was even alive
Fallen from the icy heights, landed with a broken cry
In this valley of shadows and sorrow, and sighs
Can you save me, baby?Nobody lives without love, nobody gets to give up
You can try to lock your heart away
But love will come back for you someday
Nobody lives without loveThought I could live out my life as a stranger
Hide from the heartbreak that love always brings
Make it to the higher ground, try to turn the volume down
Couldn't stop the sirens from singing, sing for me, babyNobody lives without love, nobody gets to give up
You can try to lock your heart away
But love will come back for you someday
Nobody lives without loveYou came along like a flash of pure lightning
Crashed into my life like a runaway star
Feel myself falling like gravity's angel
Now I'm standing here offering a stranger my heartNobody lives without love, nobody gets to give up
You can try to lock your heart away
But love will be back for it someday
Nobody lives without loveSeemed like I'd gone off the side of a mountain
(Nobody lives without love)
Couldn't be sure I was even alive
(Nobody lives without love)Thought I could live out my life as a stranger
(Nobody lives without love)
Hide from the heart break that love always brings
(Nobody lives without love)Seemed like I'd gone off the side of a mountain
(Nobody lives without love)
Couldn't be sure I was even alive
(Nobody lives without love)
