

# Favorite Song

## Colbie Caillat

I wanna be your favorite song  
You can turn it up, play me all night long  
I wanna be your favorite song  
La la la la We on our way back, we wanna play back  
We want some new plus oh never change that  
We on a new tip, good music  
We see the pen and the paper, we gon' use it  
It takes a late night, to get them bright lights  
We keep writing them songs, still live that good life  
I do it for you, I do it for me  
We break it down, Colbie, tell them the story Listen can you hear me  
Am I coming in on your frequency  
I got a story  
Subject of the plot, you and me  
And when you're sleeping, and when you awaken  
And when you're feeling good  
I'll be the thing that you want to sing back  
Stuck in your head like I knew you would I wanna be your favorite song  
You can turn it up, play me all night long  
I wanna be your favorite song  
La la la la la la la la I wanna be your melody  
Flowing through your head, when you think of me  
I wanna be your favorite song  
La la la la You'll be singing like  
Ooh ooh ooh ooh  
Turn it up Baby can you feel me  
I'm the kick drum that gets your heart to beat  
I gotta have you near me  
You can count me in to every song I sing And when you're sleeping, and when you awaken  
And when you're feeling good  
I'll be the one that you want to come back  
Stuck in your head like I knew I would We on our way back, we wanna play back  
We want some new plus o never change that  
We on our way back, we wanna play back  
Play back play back play back play back I wanna be your favorite song  
You can turn it up, play me all night long  
I wanna be your favorite song  
La la la la I wanna be your melody  
Flowing through your head, when you think of me

I wanna be your favorite song  
La la la la la You'll be singing like  
Ooh ooh ooh ooh Girl the songs you sing  
They my favorite things  
You stay in my dreams  
Something supreme Love is the key, and it's made your life see  
Common and colbie i'm dusting off the old me  
Like the OLB we call it ODs  
And in your melodies, i'm hearing things you never told me We stay in tune with each other, and our room will  
discover new ways to do covers, no matter how they dub us  
We should stay true to the trust, and the winner of the best  
Do O is us I wanna be your favorite song  
You can turn it up, play me all night long  
I wanna be your favorite song  
La la la la la I wanna be your melody  
Flowing through your head, when you think of me  
I wanna be your favorite song  
La la la la la You'll be singing like  
Ooh ooh ooh ooh
