

Alibis (Re-Recorded)

Tracy Lawrence

She knows every move that a man could make
She knows every trick in the book
She knows how to give, she knows how to take
'Cause so many times she's been taken and fooled By those alibis and lying eyes
And all the best lines
Lord knows she's heard them all And she's been cheated on
And pushed around and left alone
Lord knows what I've put her through
Boy you can bet, if a move can be made
She knows how to make one on you She once thought that love wasn't just a game
Her feeling's once came from the heart
One day I gave her a wedding ring
And one night I tore all those feelings apart With my alibis and lying eyes
And all the best lines
Lord knows she's heard them all She's been cheated on
And pushed around and left alone
Lord knows what I've put her through
Boy you can bet, if a move can be made
She knows how to make her own Alibis and lying eyes
And all the best lines
Lord knows she's heard them all She's been cheated on
And pushed around and left alone
Lord knows what I've put her through
And boy you can bet, if a move can be made
She knows how to make one on you
