

Goodnight, California

Kathleen Edwards

You know what I wish?
It was just you and me
Sitting in this corner bar
You could tell me how your areBut I'm not gonna lie or anything
You don't even have to speak
If you keep looking at meAnd I could go all night
But they're turning up the lights
It would be so easy
Do or say anythingAnd I'm not gonna lie
I'm not looking for love
I won't let you in my heart
But you were always on my mind
