Sight Of You

Tulisa

Your blazing sun turned into long cold sweats
After all you've done, i'm not over you yet
I know your heart is out the door
Let me grab my feelings from the floor
With everything said, and I?ll get over you yeah
I?m just playing
Oh baby why don?t you just please come back
Why don?t you just please come back
Why don?t you just please come back
I?m beggin?
Baby boy, you don?t have to be like that
We don?t have to be like that
You don?t have to be like that
Oh-oh
I can?t believe we?re through
That baged a lot of broken prayers
What a drag used to love the sight of you
Now I can?t stand the sight of you
Oh-oh
I can?t believe you've gone, I?m so hurt
All the love we had, blank stare like you forgot
I used to love the sight of you
Now I can?t stand the sight of you
Can?t believe we?re through
That amazing smile has been lost for a while
Now everything?s a mess

Still not one regret
That heart of gold, when I ask where it?s gone you say I don?t know
Hey I?m not finished yet
You are my biggest regret, stop playing
Oh baby why don?t you just please come back
Why don?t you just please come back
Why don?t you just please come back
I?m beggin?
Baby boy, you don?t have to be like that
We don?t have to be like that
You don?t have to be like that
Oh-oh

I can?t believe you've gone, I?m so hurt
All the love we had, blank stare like you forgot
I used to love the sight of you
Now I can?t stand the sight of you
Can?t believe we?re through
I can?t believe it?s over babe
The journey in my heart is killing me
Breaking me unfaithfully
The sight is burning my eyes
I thought you would be forever babe
But forever has turned to never babe
How did something good go so bad, so quick, so fast
Do it just like that

The end!
