Until We Bleed

Kleerup

I'm naked, I'm numb, I'm stupid, I'm staying
And if Cupid's got a gun then he's shooting
Lights black, heads bang, you're my drug, we live it
You're drunk, you need it, real love, I'll give itSo we're bound to linger on, we drink the fatal drop
Then love until we bleed, then fall apart in partsYou wasted your times on my heart you've burned
And if bridges gotta fall then you'll fall too
Doors slam, lights black, you're gone, come back
Stay gone, stay clean, I need you to need meSo we're bound to linger on, we drink the fatal drop
Then love until we bleed, then fall apart in partsNow we're bound to linger on, we drink the fatal drop
Then love until we bleed, then fall apart in parts
