

# Until We Bleed

## Kleerup

I'm naked, I'm numb, I'm stupid, I'm staying  
And if Cupid's got a gun then he's shooting  
Lights black, heads bang, you're my drug, we live it  
You're drunk, you need it, real love, I'll give it  
So we're bound to linger on, we drink the fatal drop  
Then love until we bleed, then fall apart in parts  
You wasted your times on my heart you've burned  
And if bridges gotta fall then you'll fall too  
Doors slam, lights black, you're gone, come back  
Stay gone, stay clean, I need you to need me  
So we're bound to linger on, we drink the fatal drop  
Then love until we bleed, then fall apart in parts  
Now we're bound to linger on, we drink the fatal drop  
Then love until we bleed, then fall apart in parts
