Mystery Man

Team B

Got a letter from a mystery man
But in between the lines - he don't understand
He's on a mission in Mozambique
The room is wired and I just can't speak

[Chorus]
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye

Got to get there just as fast I can
A pink carnation on a mystery man
A rendezvous in Romania
Double agents in Australia
