

This Is It

Billy Preston

This is it
This is itWhat we've been praying
And hoping for, y'allThis is it
 This is it
 (This is it)
 This is it
 (This is it)Always knew
The dream would come true
'Cause I've been trying
 For such a long time
 I almost gave up
I almost lost my mindBut this is it
 (This is it)
 This is it
 (This is it)
 This is it, yeah
(This is it)Something way down in the soul
 Keeps on telling me thatThis is it
 So glad that this is it
 This is it
 (This is it)Time for God's love
 To take control
But who would have thought that
 I'd live to see
 All this that's happening
Right in front of meLets me know that this is it
 (Yeah, this is it)
 This is it
 (This is it)
 This is it
(This is it)What we've been praying
 And hoping so long for(This is it)
 This is it, yeah
 (This is it)
So glad that this is itAlways knew
 The dream would come true
 'Cause I've been trying
 For such a long time
 I almost gave up

I almost lost my mind
But this is it
(Yeah, this is it)
This is it
(This is it)
This is it
(This is it)Always knew
The dream would come true
This is it
This is it, yeah
(This is it)
