Be Kind To Me

Chloe

Be kind to me
Be kind to me
Be kind to me
Oh baby and I'll show you the wayKindness is a virtue
Come on now babe
It won't hurt you to be
A victim of kindness
No more hesitations
We don't need no
Explanations this time
We'll leave them behind usWhile you play the martyr
You know you just
make it harder for us
To love one another
So much indecision
That don't mean you
Got religion I think
You're gonna discoverBe kind to me
