

# 123 (Davey Badiuk Dutch Radio Mix)

[Craig Smart](#)

You're beautiful, more beautiful than the first day we met  
It's magical, and I love you more each day with every breath  
When I look at you, I can see forever in your eyes  
When I fell for you, you caught me like I was a falling star  
And you know it's true, I wanna be with you no matter where you are  
I already knew that we were always meant to be Oh, loving you is just like the air that I breathe  
It comes to me so naturally; it's easier than 123 Incredible, you're a super woman in so many ways  
Powerful, you're a vision of a what perfect is to me  
And you do it all with a smile upon your face, yeah  
And I promise you, I'll never ever make you cry  
We'll tell the truth, we'll never ever speak one lie  
I wanna love you; until the end of time, yeah Loving you is just like the air that I breathe  
It comes to me so naturally; it's easier than 123  
Loving you, is just like a sweet melody  
it comes to me so naturally; it's easier than 123 Loving you so easy, it comes naturally to me  
I don't even have to try; it flows effortlessly  
I knew it when I saw you that we were meant to be, baby  
You're everything to me Loving you, is just like a sweet melody  
It comes to me so naturally; it's easier than 123 Loving you is just like the air that I breathe  
It comes to me so naturally; it's easier than 123  
Loving you, is just like a sweet melody  
And it comes to me so naturally; it's easier than 123
