Tonight

Hector Troy

{INTRO}
Yeah
Baby, tonight is our special night
I done gone outta my way
To prepare this for you
Know what I mean cause,
You're everything to me
Hear me out now{Verse 1}
Hello, welcome to the show
Please follow all the arrows that will lead you to the bedroom
Go to the bed and lay your body down
I'll be right with you
And I know that it's your first time
But leave it up to me
Shorty I'll make sure that everything is right
Baby I just wanna love you
And I can't wait
To put my hands all over you girl{Chorus}
Baby come here and rest yourself
Just wanna let you know I'm here to help
Lose your clothes while I run your bath
Candle lights the only light we have
Girl come over here and rest yourself
Forget about the stress you've ever felt
When you're near me I can't myself
I wanna lay your body down tonight{Verse 2}
Lets get the show on the road
Follow the attraction let it take you to a higher place
Your hands all over, you're mine
The rhythm and emotion gonna make you wanna scream my name
I know that it's your first time,
And we ain't gotta rush
Baby cause we got all night
See I just wanna love oh
And hope you know
You're the only one I want in my life ooooh baby{Chorus}
Baby come here and rest yourself
Just wanna let you know I'm here to help
Lose your clothes while I run your bath

Candle lights the only light we have
Girl come over here and rest yourself
Forget about the stress you've ever felt
When you're near me I can't help myself
I wanna lay your body down tonight{Verse 3}
Baby I've been
Patiently waiting to lay you down inbetween my sheets
It's so crazy how you make me feel
I wanna be a better man
I've been full of curiosity
For just how good our love could be
I'm so crazy in love{Chorus}
Baby come here and rest yourself (know that I'm here)
Just wanna let you know I'm here to help (Oh yeah)
Lose your clothes while I run your bath (You know)
Candle lights the only light we have
Girl come over here and rest yourself (Come over here)
Forget about the stress you've ever felt (When you need me I'm gon' be right here)
When you're near me I can't myself
I wanna lay your body down tonight
