

# Trespassing

## Skull Snaps-

Well, I was walkin' for some time  
When I came across this sign  
We don?t like when visitors come."  
?No Trespassing,? that?s what it said  
At least that?s what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!

One day I was trippin' and that?s when I could see  
That the ether I had tapped into could be reality  
It was great, that?s when I climbed that optimistic vine  
Once I hit that mountain peak, I began to lose my mind  
I don?t need no sympathy.  
I won?t cry and whine.  
Life?s my light and liberty  
And I shine when I wanna shine.  
Make their faces crack  
There?s no turnin' back.  
Let?s go!

Well, I was walkin' for some time  
When I came across this sign  
Sayin' ?Who are you and where are you from?  
We don?t like when visitors come."  
?No Trespassing,? that?s what it said  
At least that?s what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
I ain?t got BS in my bag  
That?s the one thing you can believe  
My heart is gold, my body is glass  
Come on baby, can?t you see?  
I don't need no GPS  
To show me where to go  
But I can turn it to the north pole  
And show you what is cold  
I don?t need no sympathy.  
I won?t cry and whine.

Life?s my light and liberty  
And I shine when I wanna shine.

Make their faces crack (crack)  
There's no turnin' back.  
Let's go!

Well, I was walkin' for some time  
When I came across this sign  
Sayin' ?Who are you and where are you from?  
We don?t like when visitors come."  
?No Trespassing,? that?s what it said  
At least that?s what I could read.

No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
Wait 'til ya get a load of me!  
I said wait 'til ya get a load of me!

I ain't stayin' at home  
I got places to roll  
I ain't stayin' at home  
No, no, no  
Hey, hey, hey  
Heyeah, yeah, yeah!  
I don?t need no sympathy.  
I won?t cry and whine.  
Life?s my light and liberty  
And I shine when I wanna shine.

Heh heh  
Heh heh  
Heh heh  
Heh heh  
Let's go!

Well, I was walkin' for some time  
When I came across this sign  
Sayin' ?Who are you and where are you from?  
We don?t like when visitors come."  
?No Trespassing,? that?s what it said  
At least that?s what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!
