Someday (Iâ€™m Coming Back) (Live In Manchester)

Lisa Stansfield

Someday I'm coming back, and it won't be long
Before you call me and tell me to come home
Someday I'm coming back, and it won't be long
Before I'm home, home and in your armsWhat did I do my darling? That made you send me running
Told you to cast me down and throw me out
What can I tell you honey, If I don't know what I've done
All I can hope is that you ask me to come back homeSomeday I'm coming back, and it won't be long
Before you call me and tell me to come home
Someday I'm coming back, and it won't take long
Before I'm home, home and in your armsEven in stormy weather, we always stuck together
You always kept me near, we're so sincere
So why so sudden the change of heart
Why do I feel like I've done wrong?
When all that I want is that you ask me to come back homeSomeday I'm coming back, and it won't be long
Before you call me and tell me to come home
Someday I'm coming back, and it won't be long
Before I'm home, home and in your armsSomeday, someway (I never wanted anyone so much)
Someday, someway
Someday, somewaySo why so sudden the change of heart
Why do I feel like I've done wrong?
When all that I want is that you ask me to come back homeSomeday I'm coming back, and it won't be long
Before you call me and beg me to come home
Someday I'm coming back, and it won't be long
Before I'm home, home and in your arms
