

The Girl That Taught Me To Drink and Fight

Young Dreams

I droved my care again
Stay here in my face
I try to care
I lost a train again
Start be a foul again
Blains a girl again
I drive my car
You got me disturn
Always have to return
Night I will spend by my side
Way did I have to sin
I have been stumbeling
Near close girl
I try to impresse
You got me disturn
Night spend by my side
Always have to regret
Now I can't leave behind
Aaa aaa aaa
Aaa aaa aaa
Aaa aaa aaa
