

Start Over

Beyoncé©

I feel weak
We've been here before
'Cause I feel we keep going back and forth
Maybe it's over
Maybe we're through
But I honestly can't say I still love you

Maybe we reached the mountain peak
And there's no more left to climb
And maybe we lost the magic piece
And we're both too blind to find

Let's start over
Let's give love their wings
Let's start over
Stop fighting 'bout the same old things
Let's start over
We can't let our good love die
Maybe we can start all over
Give love another life

I can see that we're not happy here
So why would we keep pretending when there's nothing there
Maybe you like it, well I don't
And maybe you settle
Well I won't

Maybe we reached the mountain peak
And there's no more left to climb
And maybe we lost the magic piece
And we're both too blind to find

Let's start over
Let's give love their wings
Let's start over
Stop fighting 'bout the same old things
Let's start over
We can't let our good love die
Maybe we can start all over

And give love another life

I know that this will hurt you

I know you'll cry

I know I called you selfish

But that's a lie

I feel I know what's best for us

Let's

Start over

And let's give love their wings

Let's start over

I'm tired of fighting 'bout the same old thing

Let's start over

We both know that this love won't die

Maybe we can start all over

And give love another life
