

Love Her All I Can (Wicked Lester)

Kiss

Whoa! I remember the times I was lonely without her
Now she's mine and I spend my time dreamin' about her Love her all I can and try to understand
The things that make her glad
The things that make her sad
I'm a lucky guy, I hardly ever cry
And when the world looks bad
She's never, never sad She's so easy to please and it doesn't take money (oh no, no)
We can have a good time when the skies aren't sunny Ah-ah, do-do-do, ah-ah-ah
Ah-ah, do-do-do, ah-ah-ah I remember the times I was lonely without her
Now she's mine and I spend my time dreamin' about her (who!) Ah-ah, do-do-do, ah-ah-ah
Ah-ah, do-do-do, ah-ah-ah
