

# Good Rockin' Daddy (Alternate Mix)

Etta James

Well you can really go go go  
Jumpin' fast or rockin' slow  
I will see ya when the band gone blow  
Now hold it, don't move it now boogie some more I'm a good rockin' daddy  
Yeah well I'm a good rockin' daddy  
Up on my feet I can't be beat  
I'm a good rockin' daddy I told the boys all to come and see  
Just what the sandman brought to me  
They stood around with a great big smile  
When we start to rock n' roll they all went wild Good rockin' daddy  
Yeah well I'm a good rockin' daddy  
Up on my feet I can't be beat  
I'm a good rockin' daddy I'll hold you close and I'll hold you tight  
You'll rock n' roll from left to right  
'Round and 'round and 'round and 'round we go  
Rest awhile and we'll boogie some more I'm a good rockin' daddy  
Yeah well I'm a good rockin' daddy  
Up on my feet I can't be beat  
I'm a good rockin' daddy Good rockin' daddy  
Good rockin' daddy  
Good rockin' daddy  
Good rockin' daddy  
Good rockin' daddy
