

Empty

The Cranberries

Something has left my life
And I don't know where it went to
Somebody caused me strife
And it's not what I was seeking.
Didn't you see me, didn't you hear me
Didn't you see me standing there
Why did you turn out the lights
Did you know that I was sleeping

Say a prayer for me
Help me to feel the strength I did
My identity has been taken
Is my heart breaking on me
All my plans fell though my hands
They fell
Though my hands on me
All my dreams, it suddenly seems
Empty
