

Ring My Bell (Mr Lee's Radio Mix)

DJ Jazzy Jeff & The Fresh Prince

Intro Yo yo yo yo Yo yo yo yo (Ring my bell, ring my bell) Yo yo yo yo Yo yo yo yo (Ring my bell, ring my bell) Verse 1: I'm just a telephone call away

You can pick it up and call me any day

And Ima listen to all you got to say

Cause I'm the type of man that never turn a woman away

Think of this as an invitation

Your heart to mine in a conversation

So when things get to much to bare like The Jackson 5 "I'll be there"

Just call me up on the telephone

Call me up when you're all alone

And I'll give you a verbal massage

Until your man gets home

Or if you want to you know what you could do, well

You could always hop in your car and you could come and ring my bell Chorus

Ring my bell, ring my bell (Ring my bell, ring my bell) Ring my bell, ring my bell (Ring my bell) RI-I-ING!!! Verse 2: I hate to see you cry, tear after tear while this guy

Plays you like your life is a game

I've seen his type and there all the same

Breaking your heart without a care

Girl if I was in you shoes he'd be outta there

Your man is wak good for nothin' but flack

I'd tell him to pack and hit the road Jack

Who loves ya baby I do you know he doesn't care about you let him go

Where he at now? You don't know Layin' up under some

hold up wait just let me chill

no need for me to get ill

Cause yo I'm the best but yo time will tell

But I'll be here so ring my bell Chorus Verse 3: Now I know this sounds like a fairy tale

But this ain't no children's book

I'm here, for you to take me dear

Just open your eyes and look at

What the future holds for you and if you lunch then you might ruin

Something great don't make a big mistake pay attention to what you're doing

Life is full of pitfalls, ups and downs

It's sort of a mission now you're on a rocky road

But you could get up just make that decision

That you want someone to love you adore you and hold you and treat you well

So when you're ready to be treated that way baby you can ring my bell Chorus (Repeat till fade)
