## Immortal Technique

Immortal Technique and DJ Green Lantern

Third world mother fuckers! I'm from where the gold and diamonds are ripped from the earth  
Right next to the slave castles where the water is cursed  
From where police brutality's not half as nice  
And makes the hood in America look like paradise Compared to the AIDS-infested Caribbean slum  
African streets where the passport's an American gun  
From where they massacre people and try to keep it quiet  
And spend the next 25 years tryin' to deny it I'm from where they cut your hands off if you make a fist  
And niggas throw 'coca cause the job market doesn't exist  
Except slave labor modern day company store  
And peace keeper's don't ever, ever come here no more From where the bombs that they used to drop on  
Vietnam  
Kill us children born deformed eight months before they born  
I'm from where they lost the true meaning of the Qur'an  
'Cause heroin is not compatible with Islam And niggas know that, but throw that poppy seed anyway  
'Cause that food dropped parachute does not come everyday  
I'm from where people pray to the gods of their conquerors and practically  
Every presidential a money launderer From where the only place democracy is acceptable  
Is if America candidate is electable  
And they might even have a black president, but he's useless  
'Cause he does not control the economy stupid! Lock and load your gun, where I'm from, the Third World son  
Been to many places but I'm Third world-born  
Guerrillas hit and run where I'm from: the Third World son  
You polluted everything, and now the Third World's gone  
The waters poisoned where I'm from son  
Seven hundred children die by the end 'this song  
Revolution will come, where I'm from: the Third World son  
Constant occupation, leaves the Third World torn I'm from where the catholic churches are some racist shit  
They helped Europe and America rape this bitch  
They pray to white Spaniard Jesus, who's face is this  
But never talk about the black Pope Gelasius I'm from where Soviet weapons still decide elections  
Military is like the Mafia, you pay for protection  
Catamite, sex tours, is what the country sells  
And rich white businessmen make the best client "le I'm from where they too pussy to come film Survivor  
And they murder Coca-Cola union organizers  
I'm from where the justice system esta podrido  
Fuck government niggas, politic over perico (Spanish) Cause Rico laws don't apply to the CIA  
And mother fuckers make sneakers for a quarter a day  
I'm from where they overthrow democratic leaders

Not for the people but for the Wall Street Journal readers  
From where blacks, indigenous peoples and Asians,  
were once

Slaves of the Caucasians and it's amazing how they trained them  
To be racist against themselves in a place they were raised in  
And you kept us caged in  
Destroyed our culture and said that you civilized us  
Raped our woman and when we were born you despised us  
Gentrified us, agent provocateur divide us  
And crucified every revolutionary messiah  
So I'm a start a global riot  
That not even your fake  
Anti-communist dictators can keep quiet  
Fuck your charity medicine, try to murder me

The immunizations you gave us were full of mercury  
So now I see the Third World like the rap game soldier  
Nationalize the industry and take it over!  
Lock and load your gun, where I'm from, the Third World son  
Been to many places but I'm Third world-born  
Guerrillas hit and run where I'm from: the Third World son  
You polluted everything, and now the Third World's gone  
The waters poisoned where I'm from son  
Seven hundred children die by the end 'this song  
Revolution will come, where I'm from: the Third World son  
Constant occupation, leaves the Third World torn
