On My Side

Ghost Beach

I believe I'm sick
I believe that something's gonna come
I believe that something's gonna come
See us
Tell me that you're wrong
Tell me that I'm not the only one
Don't tell me that the dreams come and gone without usI belong on a NEON BEACH, in the sand
It's gonna carry me through the night
With the shadows free we'll shine, we'll shine FOREVER
I can see you're down
Even though you never had a doubt
You always feel like something's selling out
And it's gone
Try to make a sound
Try to see the wreck in yourself
Try and find a way to get it out somedayI belong on a NEON BEACH, in the sand
It's gonna carry me through the night
With the shadows free we'll shine, we'll shine FOREVERWe'll shine forever
We'll shine foreverYeah, I believe I'm sick
I believe I'm sick
Even if it all breaks down tonight
Will you still be on my side?
Even if it all breaks down tonight
Will you still be on my side?
I belong on a NEON BEACH, in the sand
It's gonna carry me through the night
With the shadows free we'll shine, we'll shine FOREVERWill you still be on my side?
Even if it all breaks down tonight
Will you still be on my side?
