

# Waiting For Your Love

Stevie B

How can I explain  
The sorrow and my pain  
I believe that you and I should be  
Together once again Every night I pray  
That you'll come back to me  
But the tears keep falling down my face  
When you're not around But not no more  
Gone away  
All I do is wait for you  
Each and every day But not no more  
Gone away  
All I do is wait for you  
Each and every day Oh I'm waiting for your love  
I'm wondering where you are  
Are you with another guy  
Are you showing him the world Oh I'm waiting for your love  
I want to see your smile  
Brighten up my day  
Yes I'm waiting for your love  
Yes I'm waiting for your love Didn't sleep last night  
I'm waiting by the phone  
Wondering where you are tonight  
If you are alone If I had another chance  
I'd never let you go  
My heart's been broken in two  
And it's all because of you But not no more  
Gone away  
All I do is wait for you  
Each and every day But not no more  
Gone away  
All I do is wait for you  
Each and every day Oh I'm waiting for your love  
I'm wondering where you are  
Are you with another guy  
Are you showing him the world  
Oh I'm waiting for your love I want to see your smile  
Brighten up my day  
Yes I'm waiting for your love  
Yes I'm waiting for your love Oh I'm waiting for your love

I'm wondering where you are  
Are you with another guy  
Are you showing him the world Oh I'm waiting for your love  
I want to see your smile  
Brighten up my day  
Yes I'm waiting for your love  
Yes I'm waiting for your love
