I like my asses fat not flat
I like my asses fat not flat, I like my asses fat not flat
I like my asses fat not flat
I like my asses fat not flat, I like my asses fat not flat

I like my asses fat not flat, I like my asses fat not flatMy honey's backs stay fat
And it's always like that
Not only in my house
But on the streets there's stack and stacks, you knowI don't move slow, I get my cash flow
And then I go where brotha's don't know, I'm on the down low
Some get mad cause they don't understand that its Astro Black season
I'm in demandI'm down with D-I-T-C, that's diggin in them cakes
And my potna Lord Such we always get crazy dates
I hit it right cause what goes around comes around
I always look outI'm hittin' hookers like a hound
Huh
In and out like a bout honey's always shout "good looking Quas"
Yeah with out a doubt
But don't try to take advantageI'll just leave you alone instead of putting dat ass in bandages
Ya big thighs you know I L-U-V
And next up is M-A-D who likes his asses F-A-TI like my asses fat not flat, shake 'em, I like my asses fat not
flat, shake 'em
I like my asses fat not flat shake it now, I like my asses fat not flat
I like my asses fat not flat, shake 'em, I like my asses fat not flat
I like my asses fat not flat, shake them, I like my asses fat not flat
I like my asses fat not flatCheck it out
Yo Madlib is livin fat
Are you gentle or the type that what's to get your ass smacked
Diggin in some crates play something smoothTeddy Pendergrass or Thelma P
However your body moves
I'm a top notch cake digga
Use my tool as the triggaGet and hustle
Yeah yeah that's my nigga
But the sex I always take
But if your dip screams rape, like Kobe Bryant I'd be up stateAnd you know that a fact black
So if she say no it means no and that's that
No matter how cute or big breasted
A you heard she's got the bootShe got to get the exit
A little mad I didn't hit it

So I dialed 7 digits to some skins that's wit it
HuhWe can bone in my closet that's my logic
But not everyday because I'm working on my projects
Wash ya ass and take it easy
Or act like Ray Charles cause you know you can't see meI like to sex one but I might take on two or even three
Dang y'all look like triplets
All me
Drop in that ass like bad demo'sAnd pullin' all the cuties with no problemo
That's right cause I'm a gamer
Girl left you for me, Lord Quas I don't blame her
Step backGet your sticks and your bats
Tryin' to step up cause my girls asses are fatI like my asses fat not flat
I like my asses fat not flat, I like my asses fat not flat
I like my asses fat not flat
I like my asses fat not flat, I like my asses fat not flat
I like my asses fat not flat, I like my assesI like my asses fat not flat, I like my asses fat not flat
